# TRANSFORM YOUR REAL ESTATE CAREER WITH maxrev

As a real estate agent, you work tirelessly to close deals and grow your business, yet high fees and profit-sharing models often eat into your hard-earned commissions. At maxrev, we believe you deserve to keep more of your earnings. That's why we've designed a brokerage model that maximizes your profitability and supports your success from day one.

# MAXIMIZE YOUR EARNINGS WITH UNMATCHED FINANCIAL BENEFITS

**100% Commission Keep:** Say goodbye to sharing your hard-earned commissions and hello to setting your own commission rates. With our straightforward plans—\$195/month—you keep everything you earn. No hidden fees, no revenue sharing—just pure profit.

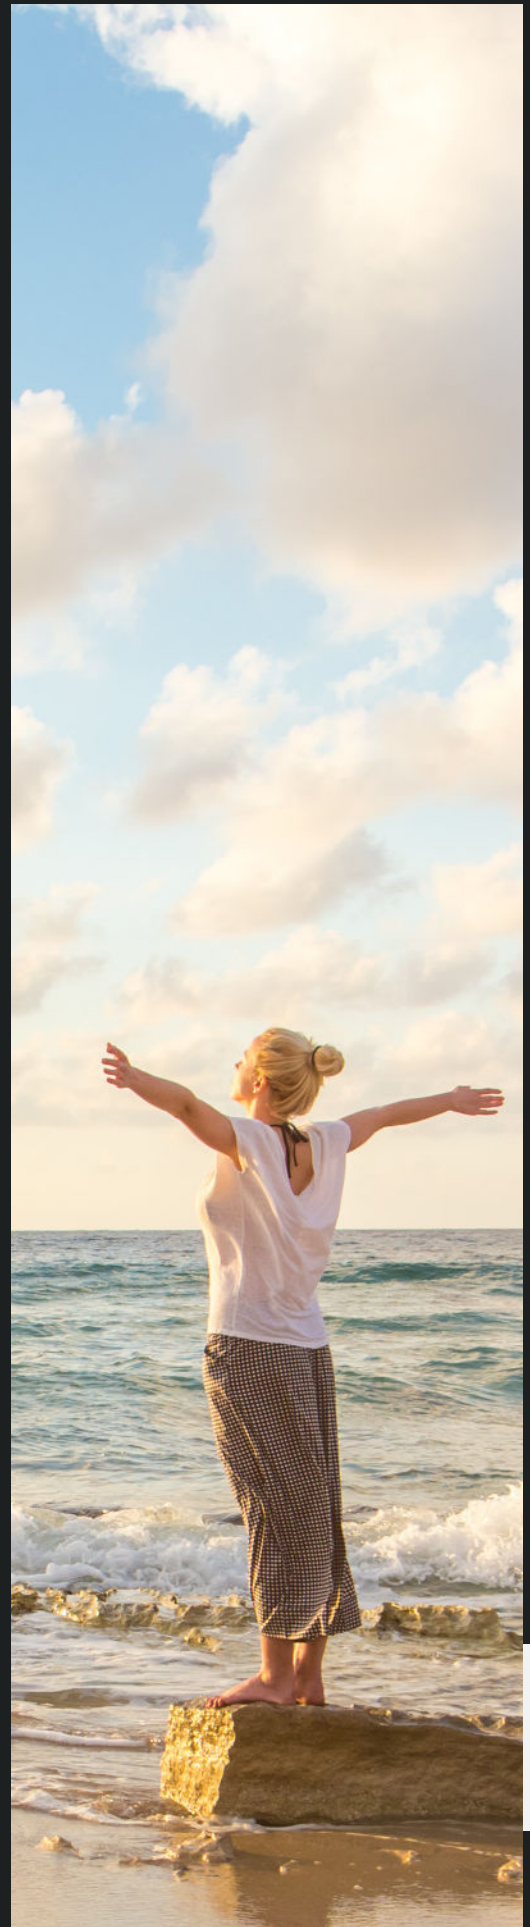

We also offer a referral member membership of \$50/month, allowing you to be featured on the website and have access to our network of agents for referral. If you're looking to make passive income, refer a friend to maxrev and get \$25/month!

**Minimal Transaction Fees:** Our \$495 transaction fee, payable by the customer, covers everything you need—errors and omissions insurance, compliance, and tools. With no unexpected costs, this flat rate allows you to predict your expenses accurately and keep more money in your pocket.

**No Annual Caps:** Unlike other brokerages that require you to hit earnings caps before receiving full commission, we offer uncapped earning potential from day one. Plus, you can earn additional income by recruiting and referring other agents to join.

## EMPOWERING TOOLS TO ENHANCE YOUR SALES AND EFFICIENCY

**BoldTrail Front Office:** Supercharge your client management and lead generation with KV Core, a top-tier CRM platform, typically costing hundreds of dollars per month, plus additional setup fees. At Max Rev, it's free for [maxrev](#)

**BoldTrail Back Office :** Streamline your transaction management with Brokermint. This tool enhances your ability to manage documents efficiently, ensuring compliance and speeding up closings.

**Ongoing Education and Training:** Stay at the forefront of real estate trends with access to continuous education and training resources. Enhance your skills and keep your knowledge base up-to-date at no extra cost.

**Business Essentials On Us:** Hit the ground running with a free first order of business cards to help you network effectively and make an impressive first impression.

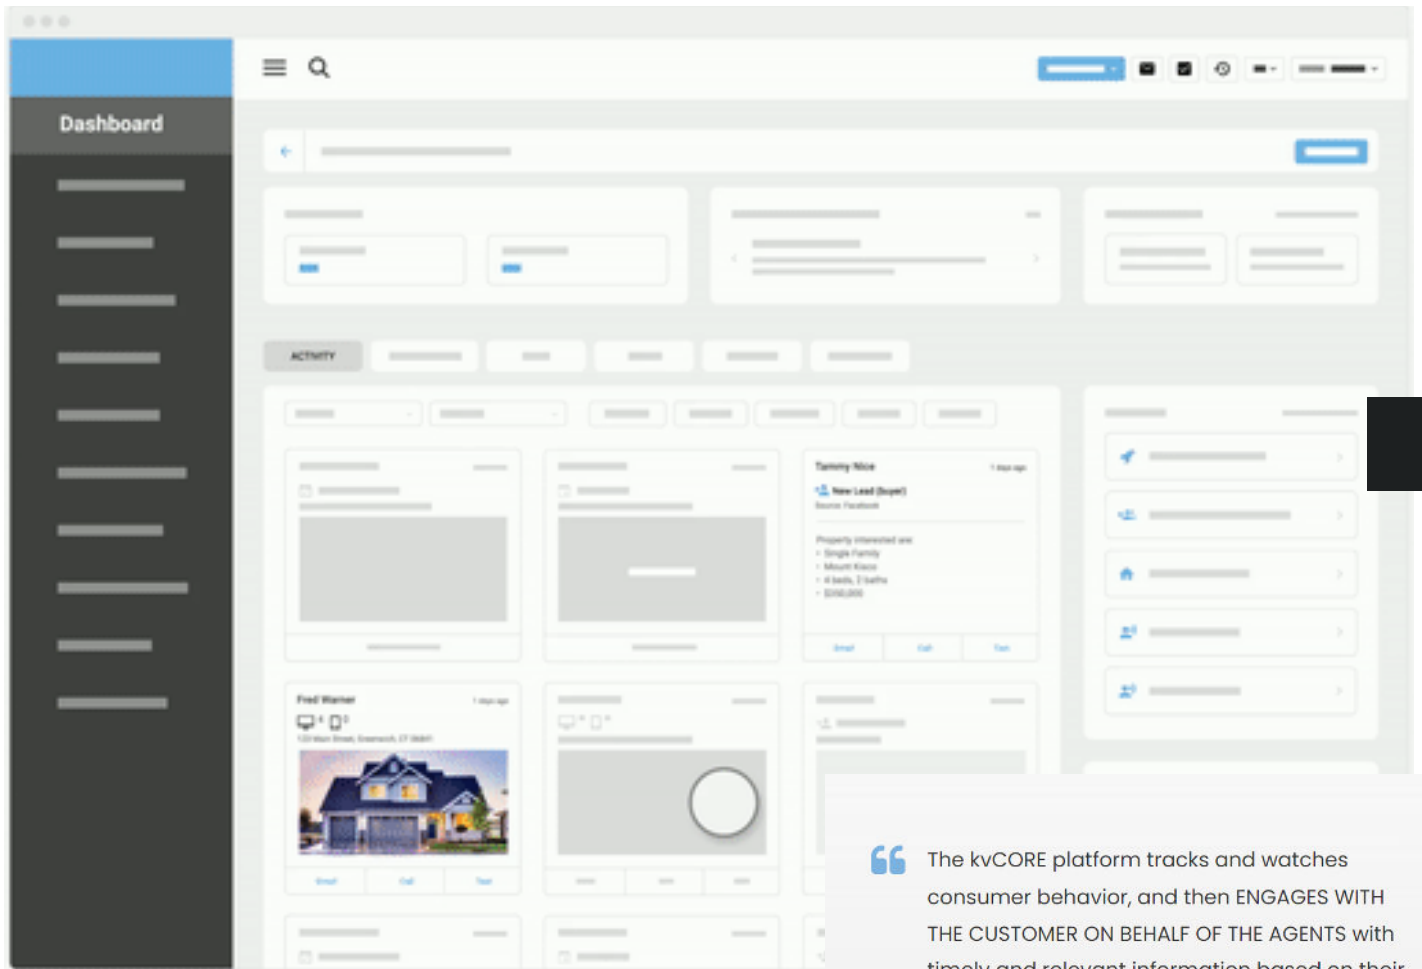

# A COMPETITIVE EDGE **IN THE MARKET**

**Save Thousands Annually:** When you compare the annual costs with other brokerages, our model significantly lowers your expenses, boosting your profitability. Our clear and straightforward fee structure means no surprises—just more savings for you and no missed commissions.

**Enhanced Automation:** With no restrictive policies or high overhead costs, you have the freedom to operate your business your way. Our supportive environment is designed to let you thrive.

“ The kvCORE platform tracks and watches consumer behavior, and then ENGAGES WITH THE CUSTOMER ON BEHALF OF THE AGENTS with timely and relevant information based on their behaviors.
